Dear Mr. Ogu:

Congratulations! Your firm has been certified as a Participant in the U.S. Small Business Administration's (SBA) 8(a) Business Development Program. Your nine (9) year program term begins on the date of this letter.

During participation in the 8(a) Business Development Program, you will receive business development assistance from an assigned Business Development Specialist in the Washington District Office located at the American Bar Association Building, 740 15th Street NW Washington, D.C. 20005. The phone number is (202)272-0368.

Your firm will become eligible to receive 8(a) Business Development contracts after you submit a business plan using SBA Form 1010C and receive SBA's approval of the plan. We are sending a copy of this certification letter to the SBA Washington District Office. That office will send you the business plan form.

SBA requires that the 8(a) participant's President or Chief Executive Officer sign a Participation Agreement to show that he or she understands the conditions of 8(a) program participation. Please read the Agreement carefully, sign and date one copy and return it to the SBA Washington District Office at the address shown in the second paragraph above. The second copy is for your records.

Even though your firm's approved North American Industry Classification System (NAICS) Code is 541511, your firm may be awarded contracts under other NAICS Codes, as long as your firm is qualified to perform the required service or task. In this regard, please note that contracts awarded under 8(a) Business Development Program authority generally result from the self-marketing efforts of participating firms. While your firm's acceptance into the 8(a) Business Development program is not a guarantee of contract support, SBA will make every effort to assist you in your marketing efforts.

I welcome you as an 8(a) Business Development Program participant and wish you every possible success.

Sincerely,

Darryl K. Hairston

Dear Mr. Ogu:

This office has completed its review of your 8(a) Business Plan dated November 11, 2011. Your plan has been approved. For reporting purposes your program year begins October 14, 2011 through October 13, 2012. Your 8(a) Program certification term ends **October 14, 2020**.

You will be required to review this plan with your assigned Specialist annually. Prior to the end of the current program year, you will be sent an 8(a) Annual Update Request for completion. This annual update should be completed immediately and returned to this office with all supporting documents.

Your firm's approved primary North American Industrial Classification Systems (NAICS) Code is **541511** – Costume Computer Programming Services. The U.S. Small Business Administration approves the primary NAICS Code. Your firm may be awarded contacts under other NAICS Codes as long as the firm is small and qualified to perform the work.

This office would encourage you to participate in any training offered to you and your key staff in the areas of government contracting and marketing outreach during the program year by the Washington Metropolitan Area District Office and/or other SBA business partners. You are encouraged to utilize all of the SBA's business counseling resources available to you including the Service Corps of Retired Executives (SCORE), Procurement Technical Assistance Centers (PTACs), 7(j) Management and Technical Assistance Program, and the Small Business Development Centers (SBDCs).

We wish you continued success in the growth and development of your business.

Please feel free to contact Ms. Laketa Henderson-Batts, Business Opportunity Specialist (BOS) on (202) 272-0361 to discuss these services or your firm's developmental requirements.
